Please mention any allergies to the staff – we have a small kitchen and menu items may contain or come into contact with nuts, wheat, eggs and other allergens – let us know if you require more detail.

Please note

All our food is prepared to order, so please be prepared for some delays in service at busy food service times, especially at weekends.

If you are eating in the garden in the summer, food orders must be placed at the bar and pre-paid – we will then deliver your food to your table.

Drinks

Please see separate lists for alcoholic drinks or soft drink options.

We also serve a variety of teas (£1.70) or a cafetiere of coffee (£2.50 pp).

We do not add a service charge to your bill – any tips you are good enough to leave go straight to the staff
